- ▶ Local Government (General) Regulation 2021 – (specifically Sections 217 and 403)

5. POLICY STATEMENT

The provision of expenses and facilities enables Councillors to fulfil their civic duties as the elected representative of the Council.

The community is entitled to know the extent of expenses paid to Councillors, as well as the facilities provided.

The purpose of this Policy is to clearly state the facilities and support that are available to Councillors to assist them in fulfilling their civic duties.

Council employees are empowered to question or refuse a request for payment from a Councillor when it is not in accord with this Policy.

Expenses and facilities provided by this Policy are in addition to the **monthly** fees and superannuation paid to Councillors.

Councillor's fees are adopted annually by resolution of Council, they are determined by applying the Local Government Remuneration Tribunal - Annual Report and Determination and in accordance with Section 241 of the Act.

Additional costs incurred by a Councillor in excess of these limits are considered a personal expense that is the responsibility of the Councillor.

Councillors must provide claims for reimbursement, including supporting documentation (eg receipts and/or tax invoice), within three (3) months of an expense being incurred. Claims made after this time cannot be approved.

Detailed reports on the provision of expenses and facilities to Councillors will be publicly tabled at a Council meeting every six (6) months and published in full on Council's website. These reports will include expenditure summarised by individual Councillor and as a total for all Councillors.

6. PRINCIPLES

Council commits to the following principles:

▶ **Proper conduct:**

Councillors and staff acting lawfully and honestly, exercising care and diligence in carrying out their functions.

▶ **Reasonable expenses:**

Providing for Councillors to be reimbursed for expenses reasonably incurred as part of their role as Councillor.

▶ **Participation and access:**

Enabling people from diverse backgrounds, underrepresented groups, those in carer roles and those with special needs to serve as a Councillor.

▶ **Equity:**

There must be equitable access to expenses and facilities for all Councillors.

▶ **Appropriate use of resources:**

Providing clear direction on the appropriate use of Council resources in accordance with legal requirements and community expectations.

▶ **Accountability and transparency:**

Clearly stating and reporting on the expenses and facilities provided to Councillors

7. PRIVATE AND POLITICAL BENEFIT

Councillors must not obtain private or political benefit from any expense or facility provided under this Policy, ie Council equipment or facilities cannot be used to provide a political benefit.

Incidental and irregular use of Council equipment and facilities may occur from time to time. Council will not be required to be repaid for such incidental use.

Councillors should avoid obtaining any greater private benefit from Council than an incidental benefit. Where there are unavoidable circumstances and more substantial private use of Council facilities does occur, Councillors must reimburse Council.

Campaigns for re-election are considered to be a political benefit. The following are examples of what is considered to be a political interest during a re-election campaign:

- ▶ production of election material;
- ▶ use of Council resources and equipment for campaigning;
- ▶ use of official Council letterhead, publications, websites or services for political benefit; and
- ▶ fundraising activities of political parties or individuals, including political fundraising events.

PART A: EXPENSES

All expenses provided under this Policy will be for a purpose specific to the functions of holding civic office. Allowances for general expenses are not permitted under this Policy.

Expenses not explicitly addressed in this Policy will not be paid or reimbursed.

8. SPECIFIC EXPENSES

8.1 GENERAL TRAVEL ARRANGEMENTS AND EXPENSES

All travel by Councillors should be undertaken using the most direct route and the most practicable and economical mode of transport.

Each Councillor may be reimbursed up to a total of \$10,000 per year, and the Mayor may be reimbursed an additional amount of up to \$2,500 per year, for travel expenses incurred while undertaking official business, professional development or attending approved conferences and seminars within NSW.

This includes reimbursement:

- ▶ for public transport fares;
- ▶ for the use of a private vehicle or hire car;
- ▶ for parking costs for Council and other meetings;
- ▶ for tolls;
- ▶ by Cab Charge card or equivalent; and
- ▶ for documented ride-share programs, such as Uber, where tax invoices can be issued.

Allowances for the use of a private vehicle will be reimbursed by kilometre at the rate contained in the current Local Government (State) Award.

Councillors seeking to be reimbursed for use of a private vehicle must keep a log book recording the date, distance and purpose of travel being claimed. Copies of the relevant log book contents must be provided with the claim.

8.2 INTERSTATE, OVERSEAS AND LONG DISTANCE INTRASTATE TRAVEL EXPENSES

Given Council's location on an interstate border, travel to Victoria will be considered as general travel. Arrangements and expenses for this travel will be governed by Clause 8.1 above.

Council will scrutinise the value and need for Councillors to undertake overseas travel. Councils should avoid interstate, overseas and long-distance intrastate trips unless direct and tangible benefits can be established for the Council and the local community. This includes travel to sister and friendship cities.

Total interstate, overseas and long-distance intrastate travel expenses for all Councillors will be capped at a maximum of \$25,000 per year. This amount will be set aside in Council's annual budget.

Councillors seeking approval for any interstate and long-distance intrastate travel must submit a case to, and obtain the approval of, the Council and/or CEO prior to travel.

Councillors seeking approval for any overseas travel must submit a case to, and obtain the approval of, a full Council meeting prior to travel.

The case should include:

- ▶ objectives to be achieved in travel, including an explanation of how the travel aligns with current Council priorities and business, the community benefits which will accrue as a result and its relevance to the exercise of the Councillor's civic duties;
- ▶ who is to take part in the travel;

- › duration and itinerary of travel; and
- › a detailed budget including a statement of any amounts expected to be reimbursed by the participant/s.

For interstate and long-distance intrastate journeys by air, the class of air travel is to be economy.

If a Councillor wishes to upgrade the class of air travel, it will be at the Councillor's personal expense.

For international travel, the class of air travel is to be premium economy, if available. Otherwise, the class of travel is to be economy.

Bookings for approved air travel are to be made through the CEO's office and through Council's corporate account.

Councillors should not benefit from any frequent flyer program linked to airlines when air travel is booked privately and reimbursed by Council. Wherever possible, any accrued points should be transferred back to Council.

8.3 TRAVEL EXPENSES NOT PAID BY COUNCIL

Council will not pay any traffic or parking fines or administrative charges for road toll accounts received when travelling on Council business.

Councillors may seek special consideration in exceptional circumstances and considered on a case-by-case basis.

8.4 ACCOMMODATION AND MEALS

In circumstances where it would introduce undue risk for a Councillor to travel to or from official business in the late evening or early morning, reimbursement of costs for accommodation and meals on the night before or after the meeting may be approved by the CEO. This includes where travel from home would involve travel before 7:00 am or travel to home would involve travel after 6:00 pm and the Councillor lives more than 50 kilometres from the meeting location.

Council will reimburse costs for accommodation and meals while Councillors are undertaking prior approved travel or professional development more than 200 kilometres outside the Murray River Council geographic area.

The daily limits for accommodation and meal expenses within Australia are to be consistent with those set out in Part B Monetary Rates of the NSW Crown Employees (Public Service Conditions of Employment) Reviewed Award 2009 – Items 1,2 and 3, as adjusted annually.

The daily limits for accommodation and meal expenses outside Australia are to be determined in advance by the CEO and approved by the Council.

Councillors will not be reimbursed for alcoholic beverages.

8.5 REFRESHMENTS FOR COUNCIL RELATED MEETINGS

Appropriate refreshments will be available for Council meetings, Council committee meetings, Councillor briefings, approved meetings and engagements, and official Council functions, as approved by the CEO.

8.6 PROFESSIONAL DEVELOPMENT

Council will set aside \$5,000 per Councillor annually in its budget to facilitate professional development of Councillors through programs, training, education courses and membership of professional bodies.

In the first year of a new Council term, Council will provide a comprehensive induction program for all Councillors which considers any guidelines issued by the Office of Local Government (OLG). The cost of the induction program will be in addition to the ongoing professional development funding.

Annual membership of professional bodies will only be covered where the membership is relevant to the exercise of the Councillor's civic duties, the Councillor actively participates in the body and the cost of membership is likely to be fully offset by savings from attending events as a member.

Approval for professional development activities is subject to a prior written request to the CEO outlining the:

- ▶ details of the proposed professional development;
- ▶ relevance to Council priorities and business; and
- ▶ relevance of the exercise of the Councillor's civic duties.

In assessing a Councillor request for a professional development activity, the CEO must consider the factors set out above, as well as the cost of the professional development in relation to the Councillor's remaining budget.

8.7 CONFERENCES AND SEMINARS

Council is committed to ensuring its Councillors are up to date with contemporary issues facing Council and the community and local government in NSW.

Council will set aside a total amount of \$20,000 annually in its budget to facilitate Councillor attendance at conferences and seminars, including the Local Government NSW Annual Conference. This allocation is for all Councillors. The CEO will ensure that access to expenses relating to conferences and seminars is distributed equitably.

Approval to attend a conference or seminar is subject to either a Council resolution or written request to the CEO. In assessing a Councillor request, the CEO must consider factors including the:

- ▶ relevance of the topics and presenters to current Council priorities or business and the exercise of the Councillor's civic duties; and
- ▶ cost of the conference or seminar in relation to the total remaining budget.

Council will meet the reasonable cost of registration fees, transportation and accommodation associated with attendance at conferences approved by the CEO. Council will also meet the reasonable cost of meals when they are not included in the conference fees. Reimbursement for accommodation and meals not included in the conference fees will be subject to Clauses 8.4.

8.8 INFORMATION AND COMMUNICATION TECHNOLOGY (ICT) EXPENSES

Council will provide Councillors with appropriate ICT devices as per the monetary limits as set out in Section 1, for each Councillor and each term of Council.

In addition, Councillors may claim up to \$25 (inclusive of GST) to offset their mobile phone and internet expenses. Supporting documentation will not be required.

The amount claimed should be included on the Councillor's monthly expenses claim form.

8.9 SPECIAL REQUIREMENT AND CARER EXPENSES

Council encourages wide participation and interest in civic office. It will seek to ensure Council premises and associated facilities are accessible, including provision for sight and hearing-impaired Councillors and those with other disabilities.

Transport cost provisions as outlined in Section 1 of this Policy will also assist Councillors who may be unable to drive a vehicle.

In certain circumstances, Councillors may access a Council pool vehicle when undertaking Council business.

In addition, to the provisions above, the CEO may authorise the provision of reasonable additional facilities and expenses in order to allow a Councillor with a disability to perform their civic duties.

Councillors who are the principal carer of a child or other elderly, disabled and/or sick immediate family member will be entitled to reimbursement of carer's expenses up to a maximum of \$1,000 per annum for attendance at official business.

Childcare expenses may be claimed for children up to and including the age of 16 years where the carer is not a relative.

In the event of caring for an adult person, Councillors will need to provide suitable evidence to the CEO that reimbursement is applicable. This may take the form of advice from a medical practitioner.

8.10 HOME OFFICE EXPENSES

Each Councillor may be reimbursed up to \$500 per year for costs associated with the maintenance of a home office, such as minor items of consumable stationery and printer ink cartridges.

9. INSURANCES

In accordance with Section 382 of the Act, Council is insured against public liability and professional indemnity claims. Council will also insure Councillors for Councillors and Officers Liability and Personal Accident.

Insurance protection is only provided if a claim arises out of or in connection with the Councillor's performance of his or her civic duties, or exercise of his or her functions as a Councillor. All insurances are subject to any limitations or conditions set out in the policies of insurance.

Council shall pay the insurance policy excess in respect of any claim accepted by Council's insurers, whether defended or not.

Appropriate travel insurances will be provided for any Councillors travelling on approved interstate and overseas travel on Council business.

If a Councillor, whilst performing his or her civic duties, has an accident in their own vehicle, Council will reimburse the Councillor the amount of the Councillor's insurance policy excess that they were required to pay.

However, Council reserves the right to decline reimbursement if the Councillor was in breach of the road rules at the time of the accident.

10. LEGAL ASSISTANCE

Council may, if requested, indemnify or reimburse the reasonable legal expenses of:

- ▶ a Councillor defending an action arising from the performance in good faith of a function under the Act, provided that the outcome of the legal proceedings is favourable to the Councillor;
- ▶ a Councillor defending an action in defamation, provided the statements complained of were made in good faith in the course of exercising a function under the Act and the outcome of the legal proceedings is favourable to the Councillor; and
- ▶ a Councillor for proceedings before an appropriate investigative or review body, provided the subject of the proceedings arises from the performance in good faith of a function under the Act and the matter has proceeded past any initial assessment phase to a formal investigation or review and the investigative or review body makes a finding substantially favourable to the Councillor.

In the case of a Code of Conduct complaint made against a Councillor, legal costs will only be made available where the matter has been referred by the CEO/Code of Conduct Coordinator to a conduct reviewer and the conduct reviewer has commenced a formal investigation of the matter and makes a finding substantially in favour of the Councillor.

Legal expenses incurred in relation to proceedings arising out of the performance by a Councillor of his or her functions under the Act are distinguished from expenses incurred in relation to proceedings arising

merely from something that a Councillor has done during his or her term in office. For example, expenses arising from an investigation as to whether a Councillor acted corruptly would not be covered by this section.

Council will not meet the legal costs:

- ▶ of legal proceedings initiated by a Councillor under any circumstances; or
- ▶ of a Councillor seeking advice in respect of possible defamation, or in seeking a non-litigious remedy for possible defamation; or
- ▶ for legal proceedings that do not involve a Councillor performing their role as a Councillor.

Reimbursement of expenses for reasonable legal expenses must have Council approval by way of a resolution at a Council meeting prior to costs being incurred.
