## CLASS 2 CONTRACTS

A Class 2 contract is a contract to which the Murray River Council is a party that has (or is likely to have) a value of \$150,000 or more and to which one of the following applies:

- 1) there has not been a tender process, the proposed contract has not been made publicly available and the terms and conditions of the contract have been negotiated directly with the contractor;
- 2) the proposed contract (whether or not made publicly available) has been the subject of a tendering process and the terms and conditions of the contract have been substantially negotiated with the successful tenderer;
- 3) the obligations to maintain or operate infrastructure or assets could continue for 10 years or more;
- 4) the contract involves a privately financed project as defined by guidelines published by the Treasury; OR
- 5) the contract involves a transfer of a significant asset of Council concerned to another party to the contract in exchange for the transfer of an asset to the Council.
