Plastic Free July

Plastic Free July® is a global movement with an estimated 326 million participants in 177 countries where people become a part of the solution to plastic pollution – so we can have cleaner streets, oceans, and beautiful communities.

You can choose to refuse single-use plastics in July (and beyond!). Best of all, being part of Plastic Free July will help you to find great alternatives that can become new habits forever.

Plastic Free July provides resources and ideas to help you (and millions of others around the world) to reduce single-use plastic waste everyday at home, work, school, and even at your local café.

To sign up for the challenge - register at <https://www.plasticfreejuly.org/>
